Subject: Dimock Draft Language for Fact Sheet--please review

Hi Humane and heather,

We met this morning with Ron/Kathy and they support including the privacy language in the fact sheet so I said that I would work with you...please let me know if this is closer to what you were suggesting earlier. Thanks.

"EPA's data results will be available in various reports available to to the public. However, it is EPA's practice not to include the names or addresses of private citizens in our reports."
